

Hello Wisconsin PBL Members!

A lot has happened since the State Leadership Conference (SLC) earlier this year at St. Norbert's, so here's a quick recap of everything that has happened over the subsequent months.

## Monthly Updates and March of Dimes

Be sure to update me on all the events your chapters are doing over the next couple of semesters and I'll be sure to include them in the newsletter! Coming up in the month of November, for instance, all of the chapters will be taking part in their annual March of Dimes events. This can be celebrated in countless ways, from a "March for Babies" walk, to a Penny Wars contest between classes or majors, and many others besides. Be sure to raise as much money as you can during the event for the March of Dimes Foundation, as the top chapters will be featured in the newsletter, as well as recognized at state!

## State Leadership Conference

The annual State Leadership Conference will be held at MSOE this year, on the 12th and 13th of April! We have many exciting plans in the works this year for the conference and look forward to hosting all of Wisconsin PBL's best and brightest members.

## New State Officers in New Positions!

*Vice President of Events:* Isabel Maier

Isabel is a sophomore at the Milwaukee School of Engineering (MSOE), majoring in User Experience and Communication Design. In this new role, Isabel will be the main coordinator of this year's SLC, taking place at her own school, MSOE! She will also reach out from time to time to encourage chapters to take part in events throughout the year, such as an event for March of Dimes in November.

*Vice President of Membership:* Brett Diedrich

Brett is also a sophomore at MSOE, majoring in Business Administration specializing in information systems. Brett will work to create new chapters throughout the state, as well as increase membership involvement.

*Vice President of Communication:* Isaac Wiegand

Another sophomore from MSOE, I am an Actuarial Science major. I will be sending out these newsletters once a month during the school year. If anything needs to be passed on to the state as a whole or the officer team, feel free to reach out to me!
