

Greetings Wisconsin PBL!

WI STATE LEADERSHIP CONFERENCE

It's that time of year again! Time to start preparations for another State Leadership Conference (SLC). Make sure to check out all the different events you can compete in on the FBLA-PBL website at <https://www.fbla-pbl.org/pbl/competitive-events/> and pick your best 3 to compete in.

This year, MSOE's own Rader School of Business is proud to host SLC on Saturday April 13, 2019. Registration for the conference is now open and can be found through a Google Form on the Wisconsin PBL website.

Production Tests competitors must send proctor (if required) information no later than 3/15/19 and have the tests completed and returned via email no later than 4/1/19 emailed to moskalik@msoe.edu

Objective tests will be onsite and can start anytime during the morning window with an hour max time for each test.

Performance test times will be emailed no later than 3/8/19 for planning purposes.

The registration costs for the conference increase over time, so early registration is strongly advised. Costs will be \$75 before March 1, \$85 from March 2-8, and \$95 from March 9-April 8. Students who wish to compete may not register after 3/15/19 but may still attend if paid by 4/8/19. Included in this price are up to 3 competitive events, workshops from local professionals, lunch and award banquet Saturday, as well as up to three trophies based on performance in events!

The complete list of conference details can be found at <https://www.wipbl.org/slc/> along with a rough schedule of events and a listing of local hotels.

We look forward to having you at MSOE come April, and good luck as you start your new semesters!
